FINISH OR TRAINEE GRADER OPERATOR

We are a locally owned road & street construction and paving contractor seeking a Finish Grader Operator or a trainee Finish Grader Operator that is familiar with the basics of Municipal and/or Highway Base Construction. This is a skilled position encompassing all aspects of base work.

The ideal candidate will:

- Have the skill and/or have the desire to learn the skill of constructing finish subgrade and base construction within a company that does not compromise on quality
- Be able to or have the desire to operate a 14H or a 14M Motor Grader

Qualifications/Requirements:

- Familiarity with municipal and highway construction
- Desire to learn within a skilled environment
- Desire to stay in a long-term employer relationship
- Able to work long hours during our busy season (approx. May-October)
- Able to travel and work throughout Central Alberta.
- Minimum clean class 5 license.

We offer:

- Competitive wages.
- Potential full time employment for the right candidate.
- Benefits and RRSP packages.

Please email resume to hr@ccal.com
